HONOR TO WHOM HONOR IS DUE.

IT may truly be said, that no one has ever been
so successful in compounding a medicine,
which has done so much to relieve the human
family, to rob disease of its terrors, and restore the
Invalid to Health and comfort, as the Inventor and
Proprietor of that most deservedly popular family
medicine, Dr. Swayne's Compound Syrup of Wild
Cherry, and none has been so generally patronized
by the Profession and others, both in this country
and in Europe, nor has there ever been so great
an effort in the short space of six or seven years,
to deceive the credulous and unthinking, by putting
up Nostrums of various kinds, by various individ-
uals, affixing the name of Wild Cherry, and as
much of the name of the original preparation as
will screen them from the lash of the law, and one
of the impostors who puts out the common par-
agoric of the shops and calls it the Balsam of Wild
Cherry, has had the impudence to cation the publi-
c against the original preparation. Dr. Swayne's
Compound Syrup of Wild Cherry, which is doing
so much good in the world.

Beware of such impostors.

And purchase none but the original and only gen-
uine article as prepared by Dr. Swayne, which is
the only one compounded by a regular Physician,
and arose from many years' close attention to the
practice of the profession, and which led to this
great discovery. Thousands and tens of thousands
of the best testimonials of the unparalleled success
of Dr. Swayne's Compound Syrup of Wild Cherry,
for the cure of consumptions, coughs, colds,
spitting of blood, liver complaint, tickling or rising
in the throat, nervous debility, weakness of voice,
palpitation or disease of the heart, pain in the side
breast, broken constitution from various causes,
the abuse of calomel, &c., bronchitis, asthma, whoop-
ing cough, &c., were declared to the world years
before any other preparation of Wild Cherry came
out. The most skeptical may satisfy themselves as
to the truth of the above, by a little enquiry in
Philadelphia. The genuine article is prepared on-
ly by Dr. Swayne, whose office has been removed
to N. W. corner of 8th and Race streets, Philad'a.
The Balsam and other spurious articles of Wild
Cherry has been sold out, and the proprietors are
obliged to resort to falsehood and stratagem to make
their own out of it. The genuine article is put up
in plain style in square bottles covered with a blue
wrapper, with a yellow label with the proprietor's
signature attached. To get the genuine in Wil-
mington, you must go to the only appointed agent,
WM. SHAW.

The public are requested to remember that
it is Dr. Swayne's Compound Syrup of Wild
Cherry, that has and is repeatedly performing
such miraculous cures of diseases which have baffled
the skill of the profession and set at defiance
the whole catalogue of Patent Medicines, which
are daily pulked through the organs of the press.
Therefore ask for Dr. Swayne's Compound Syrup
of Wild Cherry, and purchase no other.

Save your Corn Cobs and Shucks.

TO THE PLANTERS AND MILLERS OF NORTH
CAROLINA.
THE undersigned has obtained Letters Patent,
to enable common Mill stones (or rocks) now
in use, to grind CORN, COB and SHUCKS, into
meal, for Horses, Mules, Cattle, Hogs, &c., there-
by saving more than one third of a crop, which is
an important item with planters. The machinery
used for the above purpose is simple and durable,
and cannot, with fair means, get out of order. It
will last as long as the Stones last, with an expense
of 50 cents every five years. To enable the com-
mon Mill Stones to grind ear corn into meal, re-
quires no new buildings or extra power. It can
also be applied to Horse Mills, Thrashing Ma-
chines, Gins, or any given power known. The
same Mill will grind one-third more of Corn Meal
by the introduction of this Machinery, and can be
changed from grinding Corn and Cob, to grinding
Corn Meal in the space of thirty seconds. Corn
alone, when fed to stock, is said to be by the most
practical and scientific Planters, constituting in its
effects, producing founders, cholics and various
other maladies which are incident to stock. Grind-
ing cobs with the Corn, makes a food congenial
with their nature, and cannot produce any of the
serious results above mentioned. Stock, when fed
on Corn exclusively, are deprived of the benefits of
distension (so necessary to the proper health of an-
imals), by their being unable to eat a sufficient
bulk to produce distension before the animal be-
comes gorged. Cobs ground with the corn, pro-
duce no new buildings or extra power. Corn and
cob meal is improved by scalding, and still more by
boiling, and yet more by a partial fermentation.
All the preparations facilitate digestion for Hogs.
But Horses and Mules will not eat fermented food,
consequently they will require it dry or partially
wet with cold water. Horses, Mules and Oxen,
when fed with unground food, void much in an
undigested state, which is of course lost for all ben-
eficial purposes. Read the subjoined certificate.
The undersigned can be addressed at Raleigh,
and all calls will be attended to punctually
and with despatch by himself or Agent.
W. F. COLLINS.

CERTIFICATE.

Having been solicited by Maj. Collins to have
my Mill adjusted to grind Corn in the Ear and
Shuck, I consented that he should do so as an ex-
periment; and I am able to say that it grinds Corn
in the Shuck at the rate of 30 bushels per hour;
and the dressing of the stones is so improved, that
it grinds shelled Corn more than twice as fast as
before, and by my watch, at the rate of 15 bushels
per hour, and the meal finer than usual. I deem
it a valuable improvement, and shall purchase the
right to use it, as it will afford me a speedy way of
feeding my horses and cattle, and save much
thereby.

INFORMATION WANTED.—FRANCIS
JONES, recently died in the Parish of Ibe-
rville, Louisiana, leaving no heirs of his body in
that State. He left considerable property, and
the object of this publication is to ascertain who
are entitled to the succession fund; who are his
heirs. It is supposed that Mr. Jones was a native
of Wilmington, N. C., and that he removed from
this place in boyhood, leaving behind him parents
and brothers and sisters. He died at an ad-
vanced age, and of course must have been a long
while absent from this place. This is a matter of
importance to the heirs of the deceased Mr. Jones.
He left considerable property. Those who may
possess any information on the subject will please
call on the subscriber. DAVID FULTON.

OWING to the continued indisposi-

where I now reside, known as the
Franklin Hotel.
To a person who would like to engage in keeping
a Public House, here is an opportunity to secure a
favorable location to secure the patronage of pas-
sengers on the Rail Road. The house can be
secured by lease for a term of years, and is so ar-
ranged that the proprietor could, and with proper in-
ducements would, add to it so as to make it a val-
uable location. I will also sell to any person ren-
tling the house, all the furniture of the house, which
is new and in good order.
Possession will be given immediately.

as will warrant him in saying the best, for he will
have that or none. Motels or families can have
